

SPECIAL UPDATE

Traffic Shift Begins October 21st

Dear Neighbors:

Thank you for your ongoing patience during construction of the Grant Avenue Bridge Rehabilitation project.

On **October 21, 2024**, the project will move into the final stage of construction. At this time the traffic detour will be shifted from the north to the south traffic lane. The entire north side sidewalk and roadway will be closed while the south side sidewalk and roadway will be open to pedestrian and vehicular traffic. Pedestrians will need to cross Grant Avenue at Eighth Street and at Virginia Avenue. Traffic will continue to be one-way in a westbound direction. The duration of this configuration is anticipated to last 2 months.

Expect delays for up to 15 minutes on October 21 as the contractor implements the traffic shift.

Emergency vehicles will be accommodated at all times.

PROJECT TIMELINE

- Work hours: 7am to 6 pm
- Start: April 2024
- Anticipated Completion: Jan 2025
