

CITY OF NOVATO GRANT AVENUE BRIDGE REHABILITATION PROJECT

SPECIAL PROJECT UPDATE FOR THE GRANT AVENUE BRIDGE REHABILITATION
FROM THE CITY OF NOVATO

ROAD CLOSURE NOTICE*

December 12th, 2024

12/20/24

Dear Resident-

This notice is intended to inform residents and commuters that you will be directly inconvenienced by the closure of Grant Avenue Bridge for Final Paving Operations on **December 20th, 2024**. We apologize for any inconvenience caused by this critical work and ask for your patience and understanding during this time.

Our contractor is requiring a Full Closure of Grant Avenue from 8th Street to Virginia Street from 7 am to 5pm. This closure is required for Public and Worker Safety. The Grinding and Paving Operations have significant number of heavy equipment and asphalt trucks that can cause pinch point injuries or accidents. The entire area near the bridge and Grant Avenue including the Virginia/Grant Intersection and Grant/8th Street Intersection will be closed within project limits. **Plan Alternate Routes.**

- If you live within project limits, should you wish to leave/enter your property, you will need to be escorted by flaggers/construction staff. **For your safety, do not enter the closure area without an escort.**
- If you have an appointment or critical event on December 20th, please let the Construction Manager know as soon as possible (contact information below), in order for the Contractor to plan to accommodate your access.
- If possible, plan to avoid the area or remain at your residence during the closure. **Emergency vehicles will be accommodated at all times.**

PROJECT TIMELINE

- Work hours: 7am to 6 pm
- Start: April 2024
- Anticipated Completion: Jan 2025
